which are kept socret. Supplies of all kinds can be recured at Macao without let or hindrance, and there is nothing whatever to prevent transactions. of the sort ad libitum. The Imperial government have one or two small Costoms croizers, but these efforts to assist the Mandarins, are consequently perfectly abortive. The only mode in which the Imperial government can extricate itself is to adopt a proper system of military organisation. which its vanality, apathy, and ignorance entirely render it incapable of doing. Infinite pains have been taken by both the British and the French military authorities to feach the Manderins the ert THE steamer Lightning, which arrived yes- of war, and although the attempt was so far successful as to result in the recovery of the rich provinces of Chekiang and Kiangen, and the eject-

ment of the Taipings from the valley of the Yangtsaa, still they are relapsing into their old abourd militury customs, although they see the Tripings adopting the European mode of warfare, which instead of continuing themselves they seek to prevent by these ineffective consular prohibi-

ers in their ranks as yet. They are extremely desirous to engage the services of European drill 60 Chinese. instructors, and they offer such liberal terms that they will not be long in obtaining what they teek. They are nearly all armed with European muskots routed the Imperialist force, which is a mere rabble in every encounter hitherto, since the occupation Neither does it appear, as was supposed, that the

course paraued in preventing a collision with the British, was adopted through the advice of sympathising foreigners. The Chief is perfectly alive to the consequences of such a culainity, and is well aware of the course which it is necessary to pursue to avertit. He is determined to leave no stone unturned to obtain the friendship of the British and will communicate all his negociations by publication, for the reason that his despatches will not be He affects to profess the same spurious Christia-

nity as the late Tien Wang proclaimed, and claims consideration accordingly from Western nations. He places a considerable value on cavalry, and it is said holds the people of Changehow to ransom at We quote to-day Patna Rs. 970, Benares a pony per head-and to show how lax the siege must be, he has received hundreds of ponies on

As for the state of affairs in other parts of the Empire attention is called to a notice in page 10. reproduced from a Shanghai Journal whose resources of information are good, and whose prochivities are decidedly. Imperial. A more faithful, or a more dismal picture cannot be conceived. After disbanding veteran troops at Ningpo, the mandarins are now attempting to raise recruits there for service in the North, but cannot

obtain them. Soochow is recovering from the prostrate ruin in which political events involved it. Tradal matters are very dull indeed : duller than have been known for many years. The supplies of Tea and Silk seem nearly exhausted, and heavy losses have been sustained in the former. The Opium market is palsied by the certainty of excessive supplies from the Calcutta sales. Rice sells well, but the supplies at all the places of export are scarce and dear. Cotton would be purchased and shipped to Liverpool, were it not

that the supply is seant. Added to all this unfortunate complication, is the approach of the W. H. Haswell to the "Pelorous," vice Chinese new year holidays (commencing 28th current) which is the great signal for the suspension of business, for the realisation of effects, and for the settlement of accounts. Attention is called to a notice which will be found at page : on the subject of the destitution existing at Shanghai amongst unemployed Europeans. It is this class which have recruited 20th Foot. PENINSULAR & ORIENTAL STEAM NAVIGATION COMPANY. NOTICE OF REDUCTION OF PASS-AGE MONEY.

N the year 1857 the Directors made a considerable reduction in the Company's rates of Passage Money, which continued in force till 1861. In that year, owing to the extraordinary rise in the Cost and Fraight of Coals, and the enhanced price of all descriptions of Naval Stores, the Directors were reluctantly compelled to return to the rates of Pessage Money previously in force. They are now happy to state that a decrease in the price of Coal and other expenses of Steam Navigation enables them to reduce the Company's Passage rates to the undernoted scale, which will take effect from and after the lat June next, viz:-From Hongkong to :--
